

## Simple Natural Home Remedies God's Humble Doctors

How can a footbath help to break a fever? How can a light bulb help relieve sinus congestion in minutes? How can charcoal relieve acid reflux, gout, and diarrhea, and promote the healing of ulcers, infection, pink eye, bee stings, and abscessed teeth? Come, bring a friend, and find out.

Learn how to equip yourself in a practical way to be able to help yourself and others medically in a time of crisis, using simple natural and rational methods.

John Dinsley has been involved in public health programs for over 20 years, and is the author of a new book, *CharcoalRemedies.com The Complete Handbook of Medicinal Charcoal & Its Applications*. John will share with us the benefits of using simple natural affordable home remedies that even children can give to their parents. You will hear some amazing, heart-warming stories of healing using charcoal, as well as simple hydrotherapy treatments, and herbs. There will be some demonstrations so you can see how truly simple these remedies really are.

With all the concern today about the increase of disease, the threat of pandemics, the negative side effects of drugs, and the expense of drugs on our pocketbooks, never mind our bodies, I know you will be fascinated with the information he will be sharing. The material is very timely for people everywhere, in every walk of life. Whether you are a world traveler, a work-at-home mom, a truck driver, missionary, or healthcare professional, all need to know how to be able to treat sickness and suffering without first resorting to drugs. Every day we meet people who are sick and are looking for some simple natural alternative to the poisonous drugs they are taking, that are only making them sicker. This information will be of great practical benefit to anyone.

Do you know why more and more Dentists use a charcoal mouthwash before removing mercury amalgam fillings? Do you know why some Agri-businesses include charcoal as a supplement in animal feeds? Do you know why the International Space Station and nuclear submarines carry activated charcoal onboard? Do you know which kind of activated charcoal is the remedy of choice for radioactive poisoning?

**Come, bring a friend, and hear the amazing answers!**

Bio:

Born in British Columbia, Canada, John Dinsley has lived, traveled and worked from South America to the North Pole, from Nepal to Nova Scotia. He is trained as a Lifestyle Counselor, teaches public health programs, home remedies workshops, and drug cessation clinics. He is a carpenter by trade, operated an organic market garden, and volunteered in overseas development work (Guatemala, Belize, Puerto Rico, Nepal, Rep. of Kiribati). When he is not building, teaching, or gardening, he enjoys writing.

John and his wife Kimberly reside in the Pine Ridge area of NW Nebraska where they operate their Online Business and Ministry.
